Dear students,

God's Grace and Shalom continue to be with you in these challenging times.

This is a reminder that assessment deadlines for students can be extended and/or One to Ones tutorials can be taken at a later date if extenuating reasons are provided for this. If a student is unable to attend to these assessments due to personal challenges at this time then we request that the student emails the Academic Board (at admin.gracecity@gmail.com) stating their extenuating circumstances. We will consider their communication, be flexible and together, work out a way to support that student during this period.

We write this because we have received a few emails from students who have shared that they are finding it difficult at this time to focus on their GCBS work and meet the assessment deadlines set. We have also received emails from students who are pleased that their studies are not totally disrupted at this time and are happy to continue.

So, if you need to communicate with us, please do, we want to help us much as possible.

Psalm 34 encourages us in challenging times to continue to praise God, pray, rely and trust in the Lord. Remembering that *the eyes of the Lord are on the righteous, And His ears are open to their cry* (Psalms 34:15)

God bless you
Susie Djan on behalf of the Academic Board

Ps this communication has been emailed to all students
