

*'for the equipping of the Saints for the work of ministry, for the edifying of the body of Christ'  
Ephesians 4:12*

Dear students,

On behalf of the board of directors, academic board, lecturers, tutors and staff we wish you a **HAPPY NEW YEAR.**

2021 has been another challenging year for all of us. The Coronavirus has impacted us all in one way or other. Many of us continue to battle through challenges that are not covid related but nevertheless, are very stressful. Our lives have been shaken in many ways and in all spheres. In our relationships, health, jobs, businesses, schools, hospitals etc. However, the Lord is sovereign and is in control. He will establish His righteousness and His Truth will stand to the glory of His Holy Name!

The Scripture promise (in Hebrews 12:26 - 28) *that the Lord will shake both the earth and heaven. This indicates the removal of things that can be shaken in order that the things that cannot be shaken may remain.*

**We are encouraged in verse 28**

- to therefore be grateful to God for giving us a kingdom that cannot be shaken,
- and thus offer to God acceptable worship, with reverence and awe

As we feel the impact of the Lord's shaking in different areas, I would further encourage us in these times to *'Trust (rely, have confidence) in the LORD with all our heart, And lean not on our own understanding; In all our ways acknowledge Him, And He shall direct our paths.'* Proverbs 3:5, 6

My prayer is that all of us as lifelong learners of God's scriptures:

- will persevere in studying His Word to know, share and walk in His Truth
- will receive His strength in our weaknesses, His wisdom to guide our actions and His grace to be His light and salt in every circumstance we face this year. In Jesus Name. Amen
